

REMEDY USED BY THREE GENERATIONS

Mothers Who Took It When Children
Now Giving It to Their Children.

There must be genuine merit to a medicine that has stood the test of two generations of users.

In the field of medicine, none has had greater success, not obtained that success in a greater degree, than Dr. Caldwell's Syrup Pepsin, which is now being used by three generations of people. Its use in families is constantly becoming more general. The reason, primarily, is that it has merit. It is what it represents itself to be, a laxative-temper, it does not make exaggerated claims nor use coarse language to set forth its virtues.

It is a medicine, but so mild and gentle a medicine that thousands of mothers give it to tiny infants, and yet, in a slightly larger dose, it is equally effective for grown-ups. It is for any disorder of the stomach, liver or bowels, for constipation no matter how chronic, for dyspepsia no matter how severe, for biliousness, sour stomach, drowsiness after eating and similar complaints arising from a clogged-up condition of the bowels. It is pleasant to the taste and does not grip. It can be used with safety and good results by anyone at any age or in any condition of health, and that person's health will improve. Every druggist sells it and the price is only fifty cents and one dollar a bottle.

Thousands of families throughout the country are never without Syrup Pepsin in the house, among them Mrs.

WM. ROSWELL TAYLOR

W. A. Taylor, 717 Lincoln Ave., Belmont, Wis. She has five children and gives Dr. Caldwell's Syrup Pepsin to all of them as needed. Little William used to cry half the night with cramps and pain, but since being given Syrup Pepsin he does so no longer. The use of this remedy will teach you to avoid cathartics, salts, purgatives and physic generally as they are entirely too harsh. Syrup Pepsin cures gradually, but the cure is comfortable, safe and permanent.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

COUNCIL REFUSES

(Continued from Page Five.)

and Hunt. There was applause as the new mayor called the council to order, announcing that the regular order of business would be dispensed with. The roll was called by Clerk Hughes, and Alderman Skinner immediately nominated Steve H. Coen to be president of the council. The election of Mr. Coen was unanimous.

MAYOR'S MESSAGE IS READ BY THE CLERK

Mayor Boatright then announced that he had prepared a statement to the council and the people which would be read by City Clerk Hughes. The reading was frequently interrupted by applause, and at its conclusion the crowd gave Mayor Boatright a demonstration.

PETITIONS PRESENTED ON CHIEF OF POLICE APPOINTMENT

Mayor Boatright announced that he would proceed to nominate men for appointive positions, asking the council to vote on their confirmation by ballot. City Clerk Hughes presented a petition signed by a large number of business men asking for the retention of Thomas McMillin as chief of police. The petition set forth McMillin's qualifications, experience and satisfactory service. The mayor asked if there were any further petitions, and Attorney Harold Pierce dumped on the clerk's desk a number of them, including petitions from each ward, from business men and shop employees. Upon requests from the audience the petition from the business men was read, with the names. The names included a number of men in business, but none who are not in regular lines of business.

At the conclusion of the reading the mayor nominated George H. Thomas, a special officer of the Santa Fe railroad, to be chief of police.

The vote resulted four for confirmation and four against. The mayor asked the city attorney if in a tie vote on confirmations the mayor had a right to cast the deciding vote. The city attorney read the ordinance and referred to the state statute which states specifically that on appointments confirmation shall be by a majority of the members of the council elected, thus taking away the deciding vote from the mayor in confirmation matters. Attorney John W. Wilson was asked for his opinion by the mayor, and stated that the matter had never been tested in court.

The mayor did not press the question, but continued to the nomination of C. E. Hinds to be assistant chief of police. The council refused to confirm by a vote of 5 to 2.

The mayor then nominated T. L. McSpadden for street commissioner, to succeed Martin Tierney. This nomination the council refused to confirm by a vote of 5 to 2.

The mayor's nomination of J. E. Emmons to be building inspector was withdrawn by him, after his attention had been called to the ordinance placing the building inspection under the city engineer.

No further appointments were proposed by the mayor last night, although it is generally understood

THE COUNCIL COMMITTEES FOR THE NEXT TWO YEARS

Mayor Boatright then handed his list of council committees to Clerk Hughes to be read. There was laughter when it was discovered that Alderman Skinner had drawn the chairmanship of the grievance committee, and that the mayor had inadvertently placed his name on the committee twice. The committees are as follows:

Finance — Scheer, Grunfeld and Gibson.
Sewer — Grunfeld, Hammond and Coen.
Street — Gilbert, Gibson and Dr. Hunt.
Police — Scheer, Hammond and Gilbert.
Fire — Coen, Grunfeld and Hammond.

Water — Dr. Hunt, Gibson and Skinner.

Grievance — Skinner, Gilbert and Coen.

Building, Light and Fuel — Hammond, Scheer and Dr. Hunt.

Engineering — Gibson, Scheer and Hammond.

Ordinance — Skinner, Grunfeld and Gilbert.

The city clerk was ordered to advertise for bids for the usual city contract work and the new council adjourned, subject to the call of the mayor. Mayor Boatright suggested that the council should hold frequent meetings for a short time until all had become familiar with their new duties.

To Finish City Hall \$20,000 Is Needed

Municipality Saves Between
\$15,000 and \$20,000 by Doing
Construction Itself; Total Cost \$50,000.

It will require about \$20,000 more to complete the city hall, on which \$28,000 has already been expended. There is still left in the fund \$24,000, which will be sufficient to finish the exterior of the building.

These facts were laid before the city hall committee of the Sellers administration at its last session yesterday in the office of City Engineer James N. Gladding. They were part of the engineer's report.

Where to get the \$20,000 without the expense and delay of an election is one of the problems facing the new administration. Mayor Sellers had arranged to secure loans to the city on "moral security" from private sources, but it is not known whether those same sources would be available to the present administration.

Comparison of a bid received from a contracting firm and the figures on the construction so far indicates that the city will save between \$15,000 and \$20,000 through the plan of putting the structure up itself.

News and Gossip of The New Mexico Range

Stockmen in the Apache national forest, Arizona, have eighty pastures under permit, enclosing a total of 23,600 acres.

John Eichenberry of Fort Sumner reports the range in great condition in that section of the state. He will lamb 1500 ewes near the old Silva place on the Pecos river and looks for a 90 per cent crop.

W. H. Hunter has returned to Fort Sumner from the Estancia valley where he has purchased several hundred head of cattle for delivery at Vaughn between the first and 15th of May.

Dr. C. L. Benoy has purchased a fine registered Percheron stallion, from Colorado breeders, at a cost of \$2,500, which he will stand at his place near Maxwell, Colfax county. The horse is one of the best ever brought into New Mexico.

The Cochise County Cattle Growers' association held a meeting yesterday at Williams at which the pending lease laws were the subject of discussion.

The Apache county, Arizona, Stock Growers' association also met Monday at Springville, for the purpose of discussing and passing resolutions on the lease laws. An executive and an advisory committee were elected.

The Baton Reporter says that 100 cars of live stock were delivered at French, Colfax county during the past week.

A Meloché shipped two cars of fine steers from Hatan Wednesday evening, to the Kansas City market.

Frank Campbell and son of Snowflake, Will Adams of Showlow and Charles Peels of Whiteriver gathered in Holbrook, Arizona last week and are understood to be negotiating a big cattle deal.

The Willoughby Grocery company at Yaso received two cars of high grade cattle at Yaso last week which they will sell to farmers in that section.

Lon Arnold who has a ranch near Portales, last week bought fifty head of high grade Durham cows from J. M. Williams of the Portales Bank and Trust company at \$55 a head. He will run the cows on his feeding farm. He also bought one hundred head of yearling steers which he will put on pasture.

The hail storm of a week ago Thursday night, inflicted damage to the amount of \$1,000 to the Angora goat herd belonging to Charles Grammer of Carlsbad. The herd was near Walnut draw, thirty miles southwest of Carlsbad.—Artesia News.

There was a heavy fall of snow in all the mountains in this vicinity Friday night, running from one half inch to 12 inches in depth. This will undoubtedly put the range in an excellent condition and will be worth many dollars to stockholders in this vicinity.—Carrizozo News.

Local stockmen are doing preliminary work preparatory to the general roundup which commences May 1. Delivery will be made May 15th. They are getting \$20, \$25 and \$40.—Hillboro Advocate.

W. H. Land has leased the E. A. Tweet ranch, near Ricardo, and will

put a good shade bunch of cattle on it, which he is going to bring from his Tulare ranch.

R. A. Kemp and wife, of Emporia, Kansas, were in Lakewood during the past week. Mr. Kemp has purchased the D. E. McConaill ranch, eight miles west of town. The ranch consists of 240 acres with improvements, and Mr. Kemp will stock it with cattle. He has employed W. K. McConaill to remain on the ranch until fall. D. E. McConaill, who lives in Lakewood, has not yet fully decided what he will do, but the many friends of the family hope he will remain here.—Lakewood Progress.

Tom Morris, a well known sheepman from Bovina, Texas, who recently brought his stock from that locality to Melrose and cast his lot in New Mexico, is pleased with the chance made and is very optimistic regarding the future outlook for the stock business. Mr. Morris was at Melrose for feed last week from his feeding grounds, 14 miles south of Yaso.

There was a judicial case before Judge McGrath last Saturday. The Mansfield Cattle company was charged with shipping cattle out of the state without being inspected. The Mansfield cattle range along the state line, and feed in both states. A bunch was gathered and shipped from San Simon, California. A complaint was made to the cattle inspector, and he brought the case before Judge McGrath. There was no denying the fact of the shipment. Owing to the circumstances Judge McGrath imposed a minimum fine, \$100.— Lordsburg Liberal.

The Ft. Sumner Review says: Tuesday a Jersey cow belonging to Mrs. Sturt was standing on the Santa Fe track in front of the depot, placidly chewing a small cud and perhaps daydreaming of green grass and a wobbly-legged calf, when a fast freight came bowling along and the scene shifted to a depot platform littered with dead cow. But such is cow life—here today, tomorrow the section gang eats beef, Edgar Loveless is also short a two-year-old heifer and a burro. Both animals collided with locomotives.

T. E. Pollock purchased the all Livermore ranch of Mr. J. C. Gregg this week and will endeavor to make an ideal country residence of this place. As soon as possible he will have a half mile track laid out for private training purposes for his string of fast colts, together with a string of box stalls for their accommodation. Aside from this Mr. Pollock will have a collection of high bred stock on the place with a view showing what northern Arizona can do in the way of high class ranching.—Flagstaff Sun.

George Morse, the sheepman, returned the first of the week from the Salt River valley, where he has been looking after his flock. During his absence he looked after the shearing and reports good results. His lands sheared an average of 6-1-4 pounds to the fleece and it was only a 10-months' growth at that. The total clip amounted to a little over 42,000 pounds, and Mr. Morse is well pleased with the outlook for the flockmaster this season. He is now located at his ranch in this section.—Snowflake Herald.

Three car loads of wool were shipped by A. Vanderwert from Holbrook Wednesday morning to Boston. The shipment consisted of the Candalaria clip from Concho.

increase of 15 per head in the duty on the Mexican side has put a check on the traffic.

The Tucson Progress says: The sale of the track sheep ranch, one of the best equipped and oldest ranches in southern Arizona, to J. C. Jamison of Winslow, was announced this week by Charles H. Bayless and his brother, J. B. Bayless. Mr. Jamison has taken immediate possession. The sale included 5,000 sheep. The consideration was not made public, but the deal was one of the largest made in recent years in the sheep business in this section of the state.

GOLFAX COUNTY STOCK RANCH IS FLOURISHING

Farmers' Development Company Making Great Success With Cattle and Sheep Near Springer.

Springer, N. M., April 21.—The Farmers' Development Company recently purchased 450 head of fine grade cattle from the Panhandle of Texas. The cattle were brought to the Mt. Dora range, where the grass is reported to be excellent. The new store building of this large company is completed and the merchandise is being moved into the new quarters. This new large building enables them to carry a larger and choicer stock of merchandise which the trade of the Mt. Dora country demands.

H. C. Abbott, the manager of the sheep and cattle interests for the Development company, was in Springer the other day and reported the 40,000 head of sheep that the company runs to be in splendid condition, notwithstanding the hard winter. While the sheep were run on open range they were fed during the cold winter months on corn, which put them in fine condition and assured a large

TODAY'S LIVE NEWS OF SUNSHINE STATE

SUPREME COURT FOR MRS. ARMJO "Prior Rights" Holds Good in New Mexico

Decides that Under Common
Law Woman Is Entitled to
Hold a Strictly Ministerial
Position.

ENDS LONG FIGHT FOR STATE LIBRARY JOB

(Special Dispatch to Evening Herald.)
Santa Fe, N. M., April 21.—The state supreme court last night handed down a decision in favor of Mrs. Armijo, the state librarian, in which the court holds in favor of Mrs. Armijo in the long fight to oust her from the office of state librarian.

During the session of the last legislature Governor McDonald appointed W. T. Thornton, former governor of the state to be state librarian, but the confirmation was refused by the senate, leaving Mrs. Armijo in possession of the office. A quo warranto proceeding was brought by Mr. Thornton to oust her from the position, the action being based on the contention that a woman has no right by law to hold office in this state except as specified by legislative enactment.

This contention the supreme court has overruled, giving as its opinion that under the common law a woman may hold a purely ministerial position, of which nature the court finds the state librarian's position to be. The effect of the decision is to leave Mrs. Armijo in undisputed possession of the office.

SAYS NEW MEXICO CAN FURNISH TWO MORE REGIMENTS

Authorities in the adjutant general's office today stated that if an emergency should arise two additional regiments of infantry could be recruited in New Mexico almost immediately and placed on a war footing.

POULTRY RAISERS WILL GATHER AT COMMERCIAL CLUB

The Albuquerque poultry association will meet Thursday night at the Commercial club at 8 o'clock. The second annual poultry show to be held next winter will be among the several important matters to come before the meeting.

Subjects of general interest to all poultry raisers will be discussed. Everybody interested in the subject is urged to attend the meeting.

lamb and wool crop. The company believe in feeding range stuff through the cold season and this year's prospects both in wool and lambs will bear out their practice of feeding throughout the winter months.

CATTLEMAN TELLS STORY OF CHECK WITH HISTORY

W. B. Slaughter, Pressed for
Paper and Anxious to Make
a Deal, Wrote Check on a
Shingle.

(Washington Post.)
"In Oklahoma City a few nights ago I attended an interesting banquet," said Richard DeGraftenreid of Buchanan, N. M., at the Willard. Mr. DeGraftenreid is a stockman of the southwest country, and one of the veterans of that section.

"This banquet was given on the occasion of the retirement of W. B. Slaughter, president of the Southwestern Stockmen's association," continued Mr. DeGraftenreid. "There were four members of the Slaughter family present, all of them well known in that country. There are more Slaughters there but only four of them were at the dinner."

"More than twenty years ago Mr. Slaughter said his brother Peter was negotiating the purchase of a large number of cattle that had been driven up from Mexico and the southern part of Texas. The deal was made with a Mr. Crowley, now an official of the Rock Island, and who was present at the dinner. When it came to paying for the cattle Slaughter found that he had not enough money in cash, nor had he a check, so he pulled a shingle from the roof of a dugout and wrote a check on it for the amount of the purchase. It was duly paid. Now, after many years, Mr. Slaughter declares that he will give any reasonable sum of money for the return of the canceled check, but Mr. Crowley, who received it, could not tell what had become of it."

SMOTHERING SPELLS

Sour Stomach, Heart Burn

In October, 1910, we received a letter from Mrs. Hall, from which we make the following extracts:

"About twelve years ago my health began to fail. I couldn't eat anything without suffering for it. I had heart burn, sour stomach, palpitation of the heart, smothering spells, pains in my sides and back. In fact, I suffered all over, and a cough almost like consumption. Doctors failed to relieve me; in fact they didn't seem to know what ailed me. I continued to grow worse until I was able to sit up only a part of the time. I had almost lost all hopes of ever being any better."

"But one day some one threw some books in at my door. I read them and found them to be Peruna books. 'They described my feeling so truly I sent at once and got a bottle and began taking it. You pronounced my ailment systemic catarrh, and gave me some advice. 'When I had taken two and one-half bottles I began to feel better. I continued to improve. 'When I had taken eight I was like a new person. That was nine years ago. 'I think Peruna the greatest family remedy there is, for so many ailments are due to catarrhal troubles. I would advise any one afflicted with catarrh to take Peruna and I am sure it will leave.'"

In the Revised "Tis of Life" we have many similar testimonials which should interest sick people everywhere. Sent free by the Peruna Co., Columbus, Ohio. People who object to liquid medicines can now obtain Peruna Tablets.

Invitation before returning to Santa Fe. The teachers of Otero county will meet here Friday for a two days' institute. A splendid program has been arranged, features of which will be addressed by State Superintendent Alvan N. White of Santa Fe; Dr. Frank H. H. Roberts, president of the East Las Vegas Normal university; Dr. D. B. Boyd, president of the State university at Albuquerque and others.

Farmers, mechanics, railroaders, laborers, rely on Dr. Thomas' Eclectic Oil. Free for cuts, burns, bruises. Should be kept in every home. 25c and 50c.

IN ONE MINUTE! CLOGGED NOSTRILS OPEN--COLDS AND CATARRH VANISH

Stops Nasal Discharge, Clears Stuffed
Head, Heals Inflamed Air Passages
and You Breathe Freely.

Try "Ely's Cream Balm."

Get a small bottle anyway. Just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped up air passages of the head will open; you will breathe freely; dizziness and headaches will disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasal discharges and a feeling of cleansing, soothing relief comes immediately. Don't lay awake at night struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dripping into the throat, and raw dryness is distressing but truly needless. Put your faith—just once—in Ely's Cream Balm and your cold or catarrh will surely disappear.

SERVICE AND SOLIDITY

The Banking Requisites

THE satisfactory bank—the only bank which can be of real benefit to the business public—is that which, while assuring absolute security, is prepared to give expert and courteous service not only to depositors but to the public generally.

The success of the STATE NATIONAL BANK has been built upon this winning combination of Service and Solidity.

Your account is solicited.

State National Bank OF ALBUQUERQUE, N. M.
